

## Information is Power.

*There are important decisions to make.  
Some choices are made now...  
other choices are made tomorrow  
...or no choice is made at all.*

*A recent trend shows that Latinos and African Americans are getting HIV at alarming rates, getting medical care in late stages of illness, resulting in poor quality of health.*

*La decisión para tomar acción es hoy.  
TOME ACCION—EXAMINESE!*

*VIVA SU VIDA CON CALIDAD.*

## Choose Quality of Life

and make the choice to get tested for HIV.

## Take Action Now!

Get tested.
